### **Cataraqui Clippers Soccer Club House League Coaching Policy**

In accordance with its Mission Statement, the Cataraqui Clippers Soccer Club endeavours to provide a recreational program to its members, which strives to provide the best possible conditions for player development.

To that end, the Cataraqui Clippers have developed a policy for house league coaches.

All house league coaches shall conform to the Clippers Code of Conduct found on the Clippers website, and inform their players and parents of the policy.

House league depends on volunteers for its success, and often youth coaches play a valuable role coaching players and developing their own coaching skills. While the Cataraqui Clippers support the development of youth coaches, the following conditions apply:

- Head coaches for Mini and Recreational Leagues must be a minimum of 18 years of age.
- Assistant coaches for Mini and Recreational Leagues must be a minimum of 16 years of age.
- A youth assistant coach can assume the technical duties of coaching (running practices, coaching during games) provided that an adult is present on the bench at all times. This is to ensure the protection of our players as well as the youth volunteers.
- The coach and any other persons providing support must be approved by the Director of Recreational League, Director of Mini League or appropriate Mini League or House League Convenor.

Failure to comply with Club policies could lead to the coaching position being removed.
